Words to Move You

**The whole history of our continent
is a history of imagination. Men imagined
land and sea and found it. Men imagined the
forests, the Great Plains, the rivers, the mountains
and found these plains and mountains.
They came, as the great explores crossed the
Atlantic, because of the imagination of their
minds—because they imagined a better,
a more beautiful, freer, happier world.**

Archibald McLeish

Carillon VFW Post 12059 will have a **Veterans Day and Flag Retirement Ceremony** in the South parking lot on **November 11, at 4PM**. The entire Carillon Community is invited to attend. Bring your worn and tattered Flags to the CAMA Office before November 10.

With the beginning of November comes the Christmas Season. Carillon VFW Post wishes you all a safe and happy Christmas Season. This season is a time of religious significance and reflection. It is a time to give thanks for all of your blessings. It is a time to remember those that may be forgotten in the holiday rush. Be respectful to everyone you meet. Be a good neighbor and a good friend. May God Bless you all, and keep you safe and well.
