## Words to Move You

**It is to the United States that all freedom loving people look for the light and the hope of the world. Unless we dedicate ourselves completely to this struggle, unless we combat hunger with food, fear with trust, suspicion with faith. fraud with justice – and threats with power, nations will surrender to the futility and hopelessness on which wars feed.**

**General Omar N. Bradley**

**Carillon VFW Post 12059 wishes to acknowledge with great sadness, the passing of two of its' members. Robert J. Steding served in the United States Army during the Korean War. Roy Gregorich served in the United States Army during WWII in the Asia Pacific Theater of Operations. Both men served their country bravely with honor and distinction. Each man was a member of the VFW for many years and will be missed by our post and the Carillon Community. May God Bless them both.**
