Words to Move You

The nations of the world have seen our young soldiers in action. They have seen their courage and strength, yes. But off the battlefield they have also seen and admired the human kindness and the tolerance of the men and women who went overseas for us and for them.

George Sloan

As a reminder for Carillon VFW Post 12059 members, the post picnic will be August 2 at Dellwood Park in Lockport. A rain date has been picked for August 16. Food and soft drinks will be served by two world famous chefs who make an appearance every year. Make your reservations early. You will have a good time.

Carillon VFW Post 12059 held its Poppy Day on May 17 (Armed Forces Day) at Walmart on Rt. 59 and 127th Street. It was a beautiful day and we were very successful.

Once again Carillon VFW Post 12059 made another trip to the Veterans Home in Manteno with all of the clothing, books, and sundry items that the generous residents of Carillon have given us for the veterans' benefit. As always, they were thrilled to receive your donations and they will be put to good use. Thank you and God bless you.

Carillon VFW Post has been contacted by the Will County Veterans Assistance Commission about a will county resident who needed transportation to Hines Hospital for her chemotherapy treatments for cancer. We are providing free transportation to and from Hines for her benefit, and staying with her all day, and tending to her comfort.
