Words to Move You

**Always the path of American destiny
has been into the unknown. Always there arose
enough reserves of strength, balance of sanity and
portions of wisdom to carry the nation through
to a fresh start with ever-renewing vitality.**

Carillon VFW Post 12059 this past month made four trips to Manteno Veterans home. This is the most times we have made deliveries in one month. Audrey Meade from Aberdeen asked if she could go with me and see the facility. After we made the delivery I took her on a tour and she was very impressed. She was very impressed at how friendly the staff and the patients were. Audrey does a lot of work for the Honor Flight Program so contact her if you have any questions.

On April 27 Hines Veterans Hospital is have their Spring Health Fair for Veterans. It is very well attended and all of the departments are there to make appointments, answer questions and give advice to veterans. They also have a lot of trinkets that are very useful. If you have time take a ride to Hines Hospital and have a nice time.

This month Carillon VFW Post 12059 will be having our annual election for post officers for the New Year. Offices will take their elected positions in July and serve for one year.

Carillon VFW Post will be having their Poppy Day on Sunday June 5th at the Wal-Mart in Plainfield at Rt. 59 and 127th Street. Take a ride over and see us. We would love to see you. This is one of two day for us to raise money for all of the good works we do through the year for veterans.
