Words to Move You

**We have a place, all of us, in this story;
a story we continue, but whose end we will
not see. It is the story of a new world that became
a friend and liberator of the old, the story of a
society that became a servant of freedom, the
story of a power that went into the world to protect
but not conquer. It is the American story—
a story of flawed and fallible people, united across
the generations by grand and enduring ideals.
The grandest of these ideals is an unfolding
American principle that everyone belongs,
That everyone deserves a chance, that no
insignificant person was ever born.**

Carillon VFW Post 12059 will be holding a ceremony at Essington Place Retirement Village for all residents who are Vietnam Era War Veterans commemorating the 50th Anniversary of the Vietnam War. All Vietnam Era Veterans will be given a lapel pin and a certificate commemorating their service to this great nation during this war.

Carillon VFW Post 12059 made one trip to The Illinois State Veterans Home in Manteno, Illinois this past month with the donations from the Carillon Community. As always they were excited about what was brought to the veterans who reside in the home. Without exception they were very happy with the donations from our community and send their love and thanks for your thoughtful generosity.

Carillon VFW Post 12059 wishes to introduce to the community four new members of our post who recently moved into Carillon. Paul Chase of Carlisle, Debbie Leinweber of Applegate, Stanley Richard Williams of Dover, and Andrew Rivers of Canterbury all have recently become members of our post. The post is proud to call them brothers and sisters and welcomes them with open arms.
