Words to Move You

**The whole fury and might of the
enemy must very soon be turned on us.
Hitler knows that he will have to break us in the
Island or loose the war. If we can stand up to him,
all Europe may free and the life of the world
may move forward into broad sunlit uplands.
But if we fail, then the whole world, including
all that we must have known and cared for, will
sink into the abyss of a new Dark Age.**

Prime Minister Winston Churchill

It is with great sadness that Carillon VFW Post 12059 wishes to acknowledge the passing of two of its members. Robert Nemeč and Peter Carrara both passed away during the month of September. Robert Nemeč passed away on September 13 after a lengthy illness. Robert served with distinction and honor during WWII in the European Theater. Peter Carrara passed away on September 23 after a lengthy illness and is survived by his wife Joanne. Peter served with distinction and honor in the Korean War. Both men were very active in the post and will be missed because of their contributions in making our VFW Post successful and fulfilling the tradition of NO ONE DOES MORE FOR VETERANS THAN THE VFW. May they rest in peace.

On September 6 Carillon VFW Post 12059 held its annual picnic at the Lockport American Legion Post. Members and their spouses and living widows of our deceased members had a wonderful time on a beautiful September day with plenty of food and drink Everyone had as much as they could eat and enjoyed the company of their friends and members.

Carillon VFW Post 12059 made one trip Manteno Veterans home with the donations collected in the Carillon Community for the benefit the residents of the home. Thank you for your thoughtfulness and generosity to those in need.
