Words to Move You

That which is to be most admired in America is oneness and not sameness. Sameness is the worst thing that could happen to the people of this country. To make all people the same would lower our country, but oneness would raise it.

Rabbi Stephen S. Wise

Carillon VFW Post 12059 will be performing a Flag Raising Ceremony on the first Monday of every month as long as the weather is favorable. We will perform the ceremony weather permitting. We will raise a new American Flag and a new POW/MIA Flag. In addition we now have a volunteer bugler who will play To The Colors, Taps, and The Star Spangled Banner during the ceremony. Lawrence Buttimer is a new resident in Carillon and the former Director of Bugles Across America for the Northern District of Illinois. We are very excited to have this professional service provided to us by Lawrence. The Carillon Community is invited and encouraged to attend.

Carillon VFW Post 12059 will be celebrating it's 12th year anniversary on the 16th of September at the Links Grill with a Prime Rib Dinner and a special guest speaker if arrangements can be made. As always, the widows of our deceased members are always our Honored Guests.

The Joliet Slammers are having a Military Appreciation Night on September 1st at 6:05 PM. All past and current members of the military are FREE and family members get a discount ticket for \$5.00. Contact Porscha Johnson to make arrangements to reserve tickets. (815-651 2037). All former military members should take advantage of this generous offer. Hope to see you there.
