## **Words to Move You**

**The future belongs to those who believe in the beauty of their dreams. In the long run, we really do shape our own lives; and then together we shape the world around us. The process never ends until we die, and the choices we make are ultimately our responsibility.**

**Eleanor Roosevelt**

**Carillon VFW Post 12059 participated in a lot of good works for veterans and students in during 2018 with a very small budget. Money is always an issue for our post but we spend our money very carefully and get the most we can from it. Now we are into 2019 and we have a very busy calendar laid out for the year. We will keep the Carillon Community informed during the year about our activities and wish to thank all who helped us during past years.**

**Carillon VFW Post 12059 will be conducting post elections in the coming months. Nominations for Post officers will take place in March and April and the election will take place during the April Meeting. Any member who desires to run for an office should place his name in contention during these meetings.**
