Words to Move You

**More material progress has been made during
the past one hundred fifty years under the
American system of business than during
all the preceding centuries in world history.
This record of achievement is a challenge
to those who would attack that system.**

Karl T. Compton

Carillon VFW Post 12059 will be holding three Poppy Days this year in order to increase our revenue to serve the Veterans in need. The dates will be May 5, July 7 and September 28. As always we hold these fund raisers at the Wal-Mart at the corner of 127th and route 59 in Plainfield. We hope to see you there.

Carillon VFW Post 12059 is always looking to expand our membership and wishes to extend an invitation to all residents who are eligible to join our post and work for the benefit of all veterans. Be part of the 1% again and be counted. The only thing congress understands is numbers on our membership rosters. Help us who help veterans in need.

Carillon VFW Post will be starting again this May to Post the Colors on the first Monday of each month. We do this for our community to promote Patriotism and draw attention service to our community. This past winter was pretty bad for weather. We would have preferred to start in April but because of uncertain weather, May will probably be more comfortable for all who attend. We will look forward to seeing a big crowd on May 6, 2019
